

Old Bridge Township

Mayor's Office of Economic Development

List of Local Businesses 2020

All businesses that have been deemed essential offer limited hours of operation in regulation with Governor Murphy's Executive Order No. 107 **in attempt to prevent the spread of COVID-19.**

Please note some of the businesses on this list have opted to temporarily close. It is recommended that you check the businesses websites or call ahead for hours, pickup and delivery options.

If you have any concerns or feel a business is in violation of the Executive Order you may file a complaint at <https://covid19.nj.org/violations>

We look forward to the return of our local businesses that have temporarily closed. As soon as the order is lifted by the Governor, we will use social media to help get the word out.

Please follow The Mayor's Office of Economic Development on FB for the latest information in the business community. If you have a business that you would like included on this list please email your request to obedo@oldbridge.com
