

# Single Stream Recycling

Mix bottles, cans, paper and small flat pieces of cardboard together in the same recycle bin.

## Bottles and Cans

## Paper and Cardboard

### IMPORTANT

Don't use plastic bags as a recycling container.

Don't put plastic bags inside your recycling bin.

Don't overflow your recycling bin causing spillage. Use additional open ridged containers less than 32 gallons and no heavier than 50 lbs.

Don't put food or any trash in your recycling bin.
